Single Barrel Program

This is Your Favorite Whiskey

Based in the picturesque Hudson Valley, Hudson Whiskey celebrates the creative and unrivaled spirit of New York. All expressions are 100% NY made sourcing all ingredients locally from family farmers in the Hudson Valley for rich, grain-forward flavor.

Product Details

Hudson Bourbon is crafted from a mash bill of **95% New York grown corn** and 5% malted barley.

The available single barrels contain bourbon that has been **matured for a minimum of 5 years** in new American oak barrels - medium toast, char #3 and are Kosher Certified.

The barrels yield **16 six-pack cases of 750ml bottles at 55% ABV/110 proof**. Each will carry a **custom neck tag** identifying that expression as exclusively available from the customer who has selected it. The bottles from each single barrel will be **shipped with the cask itself** for the customer's use as a promotional display item.
